

INSTALLATION INSTRUCTIONS T-BAR ATTACHMENT CLIP

Document	CI308X36R1	Date	08/03/10
Drawing/Page	JAD	DCR#	10-162

NOTES:

1. Do not install clips more than two feet apart.

INSTALLATION TO T-BAR

1. Install clip where track will be mounted.
2. Place one tab of the clip over one end of T-bar. Pull the clip over the other end of the T-bar and rotate to snap fit. (See Figure 1)

INSTALLATION TO TRACK

1. Rotate clip so that the track mounting tabs are in line with the T-bar.
2. Align clip on track and rotate clip to snap fit as shown (Figure 2).
