Construction & Materials

- Durable die-cast aluminum housing
- Neoprene gasket on back of housing provides a watertight mounting seal
- Silicone rubber seal between housing and lens ensures a watertight seal
- Steel fixture mounting bar and threaded nipple provide direct mounting to recessed J-box
- Clear polycarbonate lens is fastened to housing with phillips-head captive stainless-steel screws
- Polished aluminum shroud and semi-specular reflector
- E-coat epoxy primer with five layers of protection
- Super durable medium- or dark-bronze powder topcoat

Performance

- 5-year finish warranty
- 3-year fixture warranty
- 1-year lamp warranty
