The E-HTH Series: The LED Heavyweight Champs

Perfect for retail, commercial, and light industrial spaces, the E-HTH Series LED UFO high bay features a clean and low-profile form factor, with up to 60% energy savings over traditional light sources. Its heavy-duty die-cast aluminum heat sink, combined with high transmission tempered glass designed to keep out dust, makes this guy a top contender for tougher applications. Enhanced optical performance? Check. Additional glare reduction options? Check. Easy installation? Double check. And that's not even counting the optional pendant mount accessories, suitable for more rigid mounts.

Reliable
- Comes standard without lens for low cleaning maintenance
- Optional prismatic acrylic and white aluminum reflectors
- Optional conical or drop lens enhances optical performance and glare reduction, when coupled with optional reflectors

Input Voltage
- Universal (120V through 277V Operation)

Recommended Use
- Warehouses
- Industrial
- Retail
- Low Bay Applications (E-HTH07, E-HTH13, E-HTH20)

E–HTH Series

Accessories (available with fixture purchase only)

White **Aluminum Reflector**
SKU: **E-HTG-RA2**
USE: Provides full cutoff that replaces acrylic and focuses light when acrylic would not be a good fit for the space due to chemical capability.

Clear Prismatic Reflector
SKU: **E-HTG-RP2**
USE: Provides minimal up-light where needed

Clear Prismatic Drop Lens
SKU: **E-HTG-DL**

Clear Prismatic Conical Lens
SKU: **E-HTG-CL**

Pendant Mount Accessory White
SKU: **E-HTH-PMW**
USE: Can accommodate a 3/4" threaded conduit.

Pendant Mount Accessory Black
SKU: **E-HTH-PMB**
USE: Can accommodate a 3/4" threaded conduit.
Wire Guard Accessory Silver
SKU: **E-HTH-WG**
USE: For use with E-HTG-RA2 or E-HTG-RP2 reflectors.

Note: Prismatic reflectors and lenses not intended for use in environments where any concentrations of industrial cutting fluids are used.

Recommended Dimmers

- Lutron NTSTV
- Lutron DVSTVA
- Cooper SF10P
- Legrand RH4FBL3PW
