

# Essentia® Series Wall Wash Track

LED Wall Washer Track Head – 24"

Rev. Date: V5 05/22/2023

## Product Description

Essentia® Series Wall Wash Track LED Wall Wash Track Head, available in 2700K or 3000K, is an excellent choice for commercial, retail, restaurant and hospitality applications requiring high-output LED performance. Available in powder-coated black finish, these track heads deliver up to 6,000 lumens of beautiful uniform light at 80 CRI. Compatible with 1- or 2-circuit tracks, these track heads are durable as well, made with an aluminum housing and backed by a 5-year limited warranty and an estimated 50,000 hours of maintenance-free operation. The Essentia® Series LED Wall Wash Track Head provides smooth, uniform light quality and an amazing 100 lumens per watt that delivers outstanding energy savings and versatility.

**Applications:** General purpose track lighting for indoor commercial, retail or industrial applications
